

# Booking Bill Budd

**Who:** Bill Budd

**What:** Performances in support of Architect. (full length album – released November 17, 2009)

## FULL BAND

This **four-piece** line up features Tom Simonson on **electronic drums**, Tim McAveney on **bass**, Jim Budd on **acoustic guitar** and Bill Budd on **keyboards/vocals**. The sound is electro-folk-rock with simple yet dramatic pop arrangements of songs from Architect and a few covers.

## DUO

Jim Budd's multi-dynamic rhythm guitar and Bill's subtly emotional voice create a compelling intimacy for the coffee shop atmosphere.

Past performances in NYC include The Duplex, Fez, The Cutting Room, and CBGB's Lounge. Past performances in the Philadelphia area include Milkboy, L'etage, Fergie's, The Pontiac, The Balcony, Grape Street, Q Lounge, The Rusty Nail and North by Northwest.
